Fantastic Camogie Blitz in Bray

After a very wet January, the weather finally played its part as the rain stayed away for a fantastic camogie blitz held in Bray Emmets on the 4th February, giving the girls perfect conditions to showcase their talents. Pupils from St. Peter's, Scoil Chualann, Gaelscoil Uí Cheadaigh, St. Laurence's, St. Brigid's, Greystones ETNS, and Greystones CNS took part in a day full of energy, enthusiasm and positive sporting spirit. Across all matches, there was excellent skill on display, with players showing great control, striking and determination throughout. Teamwork was a real highlight, with every school demonstrating strong cooperation and encouragement for teammates. Special thanks were to Dave Barry for his help setting up the pitches, as well as the teachers and parents who volunteered on the day to ensure everything ran smoothly. Credit also goes to the young whistlers from a number of schools who refereed the matches and did an excellent job. Overall, it was a very successful and enjoyable event for everyone involved.
